Subject: City of Irvine Annexation of MCAS El Toro and James A. Musick Jail

Dear Mr. Brady:

The Irvine Ranch Water District (IRWD) has reviewed the proposed annexation of MCAS El Toro and the James A. Musick Jail facility into the City of Irvine. We understand that this proposed annexation also includes an approximately eight-acre parcel owned by IRWD. This parcel is currently used as a domestic water reservoir and pumping station complex. The complex serves MCAS El Toro, James A. Musick Jail, Foothill Ranch, and Portola Hills, as well as portions of the City of Irvine.

As a property owner in the subject area, IRWD has no objection to the proposed annexation and anticipates no impact on the operation of the reservoir and pumping complex therefrom.

If you have any questions regarding this matter, please contact Greg Heiertz, Director of Engineering and Planning, at (949) 453-5560.

Sincerely,

  
Paul D. Jones II  
General Manager
